

Intern Positions

Mthente Research and Consulting Services (Pty) Ltd is a research-driven consultancy based in Cape Town. We are seeking highly motivated interns with a strong social science research background who are looking for an opportunity to gain practical work experience to prepare for a research-based career in a fast paced and dynamic environment.

The main responsibilities include:

- Conducting research through gathering and analysing primary and secondary data.
- Summarising complex documents and reports.
- Developing complex survey questionnaires and managing fieldwork.
- Writing research reports, including formulating recommendations that take into account diverse stakeholder interests.
- Writing tenders and following up on business development leads.

The ideal candidate must be results driven with the ability to work both independently and within a team. He/she must have a flexible and creative approach to work, with a desire to learn and grow. Interns must have an undergraduate degree and excellent English language skills, and preferably be working towards a Master's degree. Previous work experience is an additional advantage.

These are non-paying positions. A small monthly stipend might be made available for excellent interns from developing countries with financial needs.

Applicants must submit a covering letter and detailed CV with name, address and contact details of 3 referees to Diane Manual at diane@mthente.co.za
